DOCTOR QUALIFICATION CHECKLIST

It is common for prospective patients to research and meet with several surgeons before making a decision. To help you determine the differences and compare qualifications we have created a checklist. We would also encourage you to see before and after pictures, ask as many questions as you need during your consultation and understand the risks and benefits of the procedure(s) you are considering.

Surgeon's name	Dr. _____	Dr. _____	Dr. _____
Education			
➢ M.D.	_____	_____	_____
➢ D.O.	_____	_____	_____
➢ Other	_____	_____	_____
